

REWARDING RATES
from
RED ROSE TRAINING
TOTAL TRAINING PRICE PACKAGE!!
THIS OFFER IS THE ULTIMATE PROFESSIONAL
DRIVER TRAINING PACKAGE

We all know how difficult the Transport Industry can be to break into, especially in these tough times, what makes it more inaccessible for some trainees is that even though they have the Driving Licence and are first rate drivers, when compared with other drivers with slightly better back-up qualifications, it can often be a hard luck story after the interview.

NOBODY in the UK can offer this package at this price, this deal is incredible value and is a very limited offer whilst classroom space is available. Please call for further details and learn how you can get to the top of the interview list!!
