

ADR

INFORMATION SHEET

European legislation requires all drivers carrying any type of hazardous goods to hold an ADR licence.

Courses are conducted by our highly trained and experienced instructors in our fully equipped classrooms. The comprehensive tuition also includes emergency first aid training and a fire control demonstration.

ADR courses run from Tuesday to Friday every alternate week throughout the year. The optional tanks module runs once a month on a Saturday and Sunday.

Refresher training is available to renew all categories on your current licence for one inclusive price plus exam fees.
