

Update or Gain Qualifications in English & Maths

Training tailor-made for you, taking into account your existing knowledge.

Designed to help you develop the skills you use in everyday life.

You could benefit from:

- **Nationally recognised qualifications, tailored to your skill level, which ultimately could lead to the equivalent of the highest level GCSE certificate.**
- **For most people, courses are fully funded.**
- **It's not like school or college - there are no fixed classes to attend, no set times - you're in control of your learning so it fits around your life.**
- **Study online, either at home or in one of our centres - we're here to help you every step of the way.**
- **Meet new people and improve your confidence.**
- **Help to you boost your CV or to help move on to further study.**

What will you learn?

- ✓ **English: - vocabulary, punctuation, grammar, writing, reading, speaking and listening.**
- ✓ **Maths: - every day calculations, fractions, decimals, percentages and common measures.**

And get a certificate to prove it!
